**OVERVIEW:** Grain entrapment/engulfment incidents can result in serious injury but more often than not death. In order to better educate and train the Agri-Business industry, OSHA, in partnership with the National Grain and Feed Association, is coordinating a national Grain Safety Stand Up campaign focusing on grain engulfment prevention. WABA, Wisconsin Corn Growers Association and Wisconsin OSHA Staff are fully supportive of the Grain Safety Stand Up campaign and are pleased to offer these educational sessions.

**WHO SHOULD ATTEND:** - Production Employees - Management/Supervisors - SH&E Managers  
- Farmers and Family Members - Farm Employees - Insurance/Risk Managers

**TOPICS COVERED:** - Grain Engulfment Awareness and Prevention - Bin Entry - Machine Guarding  
- Entanglement Hazards - Lockout/Tagout - Housekeeping Programs and Combustible Dust

**REGISTRATION:** All persons wishing to attend these sessions **MUST** pre-register online by going to [www.wiagribusiness.org](http://www.wiagribusiness.org). and click on the Registration Store tab. Registration is required for head count purposes. Deadline for registration is April 3, 2018. Seminar is provided at **NO COST TO YOU!** Complimentary continental breakfast will be provided. Questions? Please call 608-223-1111.
