# GRAIN GRADING SCHOOL

## About this Program

The Grain Grading School is a one-day training offered on two different days. The program is a cost-effective way to provide hands-on grain grading training for your staff.

## Attendees

This event is for professionals who are heavily involved in the process of grain grain quality and grading grain within their organization.

## Investment

WABA Members: \$100  
Non-Members: \$120

Lunch on your own
